

Proven Leader Solutions for Interim Management

Organizations need to respond quickly and efficiently when a key leadership position becomes vacant. Corridor provides immediate solutions to fill the gap so you can maintain productivity and performance.

Interim managers are able to bring fresh ideas and rapid hands-on resolution of business challenges when your organization experiences:

- Critical management team gap due to a sudden departure
- Limited internal bandwidth for implementation of a strategic initiative
- An underperforming department that is in need of a quick turnaround after the departure of a senior leader

Leadership to ensure seamless management during times of change is vital to keeping your organization running at its optimal performance level.

Corridor provides Interim Management for the following roles:

- All C-Suite Executive Positions
- Administrator/Executive Director
- Director of Patient Care Services
- Clinical Supervisors
- Coding Trainers
