

# Your Trusted Business Partner in Non-Acute Healthcare

For more than 25 years, Corridor has been a partner of choice for non-acute providers, delivering solid advice and practical solutions.

Unique in providing our combination of revenue cycle management, coding, regulatory compliance and operations excellence, we have delivered solutions to thousands of clients ranging from large, multi-state providers to small, independent providers.

Our experience spans non-acute healthcare, including home care, hospice, private duty, and long-term care. Corridor provides a wealth of best practices to our partners to help them grow in a turbulent environment.

## WE'VE BEEN THERE AND DONE THAT

Corridor knows what it means to be a successful non-acute provider – because we've been in your shoes. Our team includes former operating executives and clinicians, experts that have solved challenges similar to those you face.

Leveraging our deep skills, Corridor delivers solutions to assist you in navigating administrative, clinical, regulatory, operational and financial challenges and opportunities.

## INSIGHT FOR YOUR SUCCESS

Corridor provides a wealth of best practices to help you lead and act on the future of health care services delivered in the non-acute setting.

We stay on top of changing trends and technology, so we can offer you real-world advice for today's challenges. Matched with our hands-on experience, Corridor delivers unique insights to get your organization to the next level.

## A RECOGNIZED LEADER

Recognized for its leadership and innovation, Corridor's awards include Inc. 500 Fastest Growing Companies, Ingram's Top 25 Fastest Growing Companies and two principals inducted into the Home Care and Hospice Hall of Fame.
