

CorridorComply!

A Roadmap to Compliance Program Excellence

Mitigate Compliance Risk and Build a Strong Structural Foundation!

CorridorComply is a comprehensive third party compliance program assessment based upon the OIG's 7 Elements of an Effective Compliance Program.

CorridorComply provides:

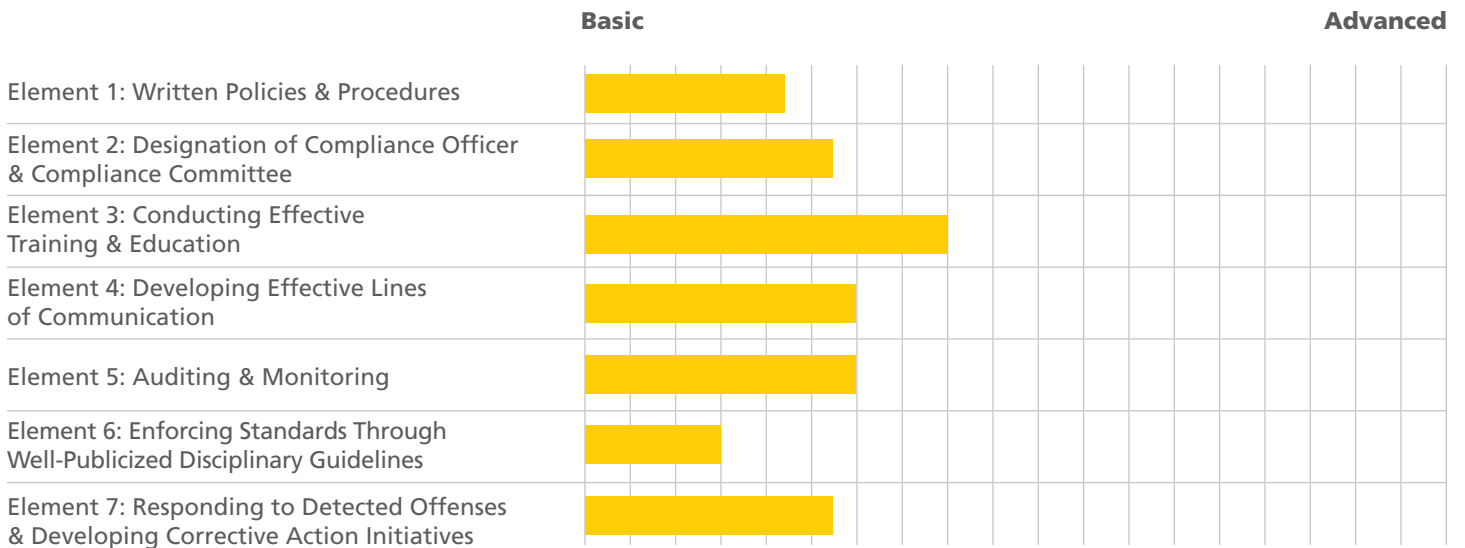

- A comprehensive foundation for developing an annual compliance work plan with specific attention to compliance risks
- A targeted assessment of enterprise-wide compliance risks associated with existing compliance programs, new program startups, mergers and/or acquisitions
- A thorough approach to assessing a corporate compliance program that can mitigate penalties and/or impacts in the event of a government investigation

The **CorridorComply** web-based tool identifies your program from basic to advanced in each of the 7-elements of the program.

Example of the CorridorComply Web-Based Tool Results

7 Elements of Compliance

	# Met	# Partially Met	# Not Met
Element 1: Written Policies & Procedures	7	15	43
Element 2: Designation of Compliance Officer & Compliance Committee	5	5	17
Element 3: Conducting Effective Training & Education	7	5	12
Element 4: Developing Effective Lines of Communication	0	6	4
Element 5: Auditing & Monitoring	7	8	22
Element 6: Enforcing Standards Through Well-Publicized Disciplinary Guidelines	1	1	8
Element 7: Responding to Detected Offenses & Developing Corrective Action Initiatives	2	1	6

Receiving a robust and comprehensive assessment from an outside entity is the ideal option for organizations that want to adhere to program objectives and proactively mitigate the risks associated with future potential investigations.
