- Boundaries: The Invisible Walls
- Breaking Bad Habits – Establishing Good Habits
- Business Basics: Managing Negativity
- Business Skills (6 modules)
- Building Accountability: Trust and Performance at Work
- Building Accountability: Taking Ownership

C

- California Anti-Harassment (8 modules)

D

- Decision Making Basics (5 modules)
- Delegation
- Developing Your Strengths
- Diabetes Update for Healthcare Teams
- Diabetic Foot Care
- Does Your Patient Understand? Health Literacy in Healthcare
- Domestic Violence Abuse and Neglect

E

- Effective Communication for Home Health and Hospice Aides
- Effective Time Management (4 modules)
- Elder Abuse: Assessment of the Patient in Homecare
- Emotional Intelligence: Developing Self-Motivation
- Emotional Intelligence: Developing Self-Regulation

- Emotional Intelligence: What is Emotional Intelligence?
- Ethics for Everyone
- Ethics for Managers: Leader To-Dos
- Extreme Weather – Elder Care Winter to Summer

F

- Fair Labor Standards Act (FLSA) for Employees
- Fair Labor Standards Act (FLSA) for Managers
- Family and Medical Leave Act (FMLA) for Managers
- Finance for Non-Finance Professionals Fraud
- Fire Safety for Home Care

G

- Generation Z (3 modules)
- Going from Coworker to Boss

H

- Hand Hygiene
- Hazardous Communication Series (7 modules)
- Hazardous Chemicals
- Health and Wellness Series (30 modules)
- Health Care Advance Directives
- Healthy Communication: Everyone's OK
- Healthy Communication: Games Workers Play
- Healthy Communication: Hired to Win
- Healthy Communication: How We Recognize Each Other
- Healthy Communication: PAC Analysis
- Healthy Communication: Personal Tapes
- Healthy Communication: The OK Worker
- Heart Failure: Signs and Symptoms and Treatments
- HIPAA HITECH: Update
- HIPAA 01: The Basics
- HIPAA 02: What is HITECH?
- HIPAA 03: HITECH Understanding Business Associates
- HIPAA 04: What is Protected Health Information
- HIPAA 05: The Privacy Rule - Authorizations
- HIPAA 06: The Privacy Rule - Disclosures
- HIPAA 07: The Security Rule
- HIPAA 08: Enforcement
- HIPAA 09: Breaches
- HIPAA 10: Penalties
- HIPAA 11: General Disclosures FAQs
- HIPAA 12: Marketing FAQs
- HIPAA 13: Protection Against Violations – Risk Analysis
- HIPAA 14: Protection Against Violations – Safeguards
- HIPAA 15: Quick Learn for Employees
- HIPAA 16: Consumer Rights
- HIPAA 17: Disclosure to Family and Friends
- HIPAA 18: Emergency Responders
- HIPAA 19: GINA
- HIPAA: Protecting Patient Information
- Hiring Stars With Great Attitudes
- Home Care Regulations

- Home Health Coding for Clinicians – Coming Soon!
- Home Health Conditions of Participation
- Hospice 101
- Hospice 201
- Hospice Coding for Clinicians – Coming Soon!
- Hospice Comprehensive Assessment and Plan of Care
- Hospice Conditions of Participation Part 1 (Sub-Part C) – Patient Care
- Hospice Conditions of Participation Part 2: (Subpart D) Organizational Environment
- Hospice Item Set – Hospice Quality and Quality Reporting
- Hospice Plan of Care: Trials and Tribulations
- How Should I Code My Hospice Patient?

I

- Identity Theft
- Identifying Your Strengths
- Integrating Millennials (3 modules)
- Infection Prevention and Control in Homecare
- Infectious Waste & Decontamination
- Influenza and Other Challenging Viruses
- Introduction to California Anti-Harassment
- Introduction to Ethics
- Introduction to Home Care
- Introduction to Palliative Care

L

- Latex Allergy
- LBGTQ in the Workplace: Gender Identity vs. Sexual Orientation
- Leadership Series (25 modules)

M

- Malware Management of Lower Extremity Ulcers
- Management of Pressure Injuries
- Managing Difficult People
- Managing Different Generations
- Managing Risk (12 modules)
- Medication for Psychosis
- Medication for Sleep Problems
- Medications Used to Treat Substance Abuse Disorders
- Mental Health Treatment: 5 Things Your Therapist Wants You to Know
- Mentoring: Creating a Mentoring Program
- Mentoring: How to be a Mentor
- Mentoring: How to be a Protégé
- Mentoring: Making a Mentoring Agreement
- Mentoring: Matching Protégés with Mentors
- Mentoring: Mentoring Meeting Guidelines
- Mentoring: What is Mentoring?
- Mentoring: Why a Mentoring Program?

- Military Family and Medical Leave Act for Managers
- Mission, Vision and Values (3 modules)
- Mistakes Leaders Make: Impedership
- Monitoring Opioid Treatment and Withdrawal

N

- Nutrition Pearls – Nutrition and Wound Care
- Nutritional Assessment: Malnutrition and Weight Loss in the Elderly
- Nutrition and Fluid Intake for Home Health and Hospice Aides

O

- OASIS-D1 Competency Test – Part 1: Technical Knowledge
- OASIS-D1 Competency Test – Part 2: Clinical Domain & Knowledge
- OASIS-D1 Competency Test – Part 3: Functional & Service Domain Knowledge
- OASIS-D1: Assessment of Wounds
- OASIS-D1: Beyond the Basics Part 1
- OASIS-D1: Beyond the Basics Part 2
- OASIS-D1: The GG and J Items
- OASIS-D1: The Basics
- Opioid Addiction for Employees
- Opioid Addiction for Managers
- Optimizing Work Life Balance
- OSHA Recording Keeping Series (6 modules)

P

- Pain Management – Assessment of Pain
- Pain Management in the Cognitively Impaired Elderly Patient
- Patient Rights
- Patient Safety for Home Care
- People First
- Performance Excellence (6 modules)
- Pharmacologic Management of Pain
- Pregnancy Discrimination Act for Managers
- Productivity Through Praise
- Professional Productivity (12 modules)

Q

- Quality Improvement: It's Everyone's Job

R

- Recipe for Effective Documentation in Home Care & Hospice
- Recruiting Toolkit (4 modules)
- Rethinking Brainstorming
- Review of Skin Changes and Pressure Ulcers for Home Health and Hospice Aides

S

- Safety: Aggressive Driving
- Safety Series (25 modules)
- Safety: Distracted Driving
- Selling Skills: Handling Tough Customers
- Sexual Harassment in the Workplace
- Six Sigma (3 modules)
- Strategic Thinking
- Stress Management – Avoidable Stress
- Stress Management – Handling Stress
- Stress Management – Managing Stress
- Stress Management – Unavoidable Stress
- Stress Management – Understanding Stress
- Successful Employee Onboarding (4 modules)
- Succession Planning (6 modules)
- Suicide in the Elderly
- Supervision Series (25 modules)

T

- Team Building (4 modules)
- Team Approach to Home Therapy
- The New 1-9 Form
- Tube Feeding Best Practices
- Tuberculosis: What You Need to Know

U

- Understanding Chronic Obstructive Pulmonary Disease – COPD
- Understanding Dementia and Alzheimer's Disease
- Understanding Harassment – California
- Understanding Harassment: Introduction to Understanding Harassment
- Understanding Harassment: Keeping Your Workplace Sexual Harassment Free
- Understanding Harassment: Levels of Harassment
- Understanding Harassment: Office Instigators
- Understanding Harassment: Understanding Offenders
- Understanding Harassment: Understanding Targets
- Understanding Harassment: Understanding Harassment in Review
- Understanding Harassment: Understanding Offenders
- Understanding Harassment: Understanding Targets
- Understanding Harassment: Warning Signs of Sexual Harassment
- Understanding Stress and Burnout

W

- What is OSHA?
- Working Remotely
- Workplace Compliance Series (35 modules)
- Workplace Diversity
- Workplace Violence
- Wound Care Basics

Therapy Courses

This course list represents a sample of CHEX+ Therapy course library of 75+ courses. Therapy content is powered by Summit Therapy, the leading provider of both online and live therapy education. Please note, CHEX+ Therapy is an Add-On and not included in the standard CHEX+ library.

Course Title	Credit Hours	Format
Achieving Functional Progression in Dementia Care Improving Patients' Quality of Life and ADLs Through All Stages of Dementia	6	Video
Achieving Functional Progression in Dementia Care: Addressing Adverse Behaviors and Clinical Presentation of Dementia	1	Video
Achieving Functional Progression in Dementia Care: Addressing Adverse Behaviors and Clinical Presentation of Dementia	1	Text
Achieving Functional Progression in Dementia Care: Evaluation and Treatment Interventions for Dementia	2	Video
Achieving Functional Progression in Dementia Care: Evaluation and Treatment Interventions for Dementia	2	Text
Documentation Bootcamp for Skilled Therapy Services	6	Video
Documentation Bootcamp: Showing Functional Progress and Skilled Intervention	1	Video
Documentation Bootcamp: Showing Functional Progress and Skilled Intervention	1	Text
Documentation Bootcamp: Proving Medical Necessity	2	Video
Documentation Bootcamp: Proving Medical Necessity	2	Text
What Every Therapist Needs to Know About Dysphagia	6	Video
Applying the Evidence for Positive Outcomes Effective Geriatric Rehab A One-Day Seminar for PTs and OTs	6	Video
Effective Geriatric Rehab: Documenting Progress in Therapeutic Exercise	1	Video
Effective Geriatric Rehab: Documenting Progress in Therapeutic Exercise	1	Text
Effective Geriatric Rehab: Outcome Tools and Predictors for Fall Risk	2	Video
Effective Geriatric Rehab: Outcome Tools and Predictors for Fall Risk	2	Text
Rehab Strategies for COPD, Diabetes, Heart Failure, and Hypertension	6	Video
COPD, Diabetes, Heart Failure, and Hypertension: Rehabilitation Strategies for Diabetes and Hypertension Assessment	1	Video
COPD, Diabetes, Heart Failure, and Hypertension: Rehabilitation Strategies for Diabetes and Hypertension Assessment	1	Text
COPD, Diabetes, Heart Failure, and Hypertension: Assessment and Treatment Strategies for Heart Failure and COPD	2	Video
COPD, Diabetes, Heart Failure, and Hypertension: Assessment and Treatment Strategies for Heart Failure and COPD	2	Text
Creative Approaches for Therapeutic Exercise in the Older Adult Population	6	Video
Therapeutic Exercise: Conquering Pain in Older Adults Using Modified Movement	1	Video
Therapeutic Exercise: Conquering Pain in Older Adults Using Modified Movement	1	Text
Therapeutic Exercise for Older Adults: Proving Functional Progress by Justifying Skilled Care and Increasing Patient Buy-in	2	Video
Therapeutic Exercise for Older Adults: Proving Functional Progress by Justifying Skilled Care and Increasing Patient Buy-in	2	Text

Fall Prevention Strategies Evidence-Based Tools to Reduce Re-Hospitalization and Maximize Functional Outcomes	6	Video
Fall Prevention: Integrative Assessment of Intrinsic and Extrinsic Risk Factors	1	Video
Fall Prevention: Integrative Assessment of Intrinsic and Extrinsic Risk Factors	1	Text
Fall Prevention: Using Tai Chi to Improve Balance and Reduce Fall Risk	2	Video
Fall Prevention: Using Tai Chi to Improve Balance and Reduce Fall Risk	2	Text
Evidence-Based Innovative Solutions for Home Health Rehab Improving OASIS Accuracy, Plans of Care, and Meeting Documentation Requirements	6	Video
Evidence-Based Innovative Solutions for Home Health Rehab: Reducing Re-Hospitalization Rates and Documenting Skilled Home Care	1	Video
Evidence-Based Innovative Solutions for Home Health Rehab: Reducing Re-Hospitalization Rates and Documenting Skilled Home Care	1	Text
Evidence-Based Innovative Solutions for Home Health Rehab: Justifying OASIS Accuracy Scoring	2	Video
Evidence-Based Innovative Solutions for Home Health Rehab: Justifying OASIS Accuracy Scoring	2	Text
Creating Accessible Home Modifications Facilitating Safety, Function and Options for Independence in the Home	6	Video
Home Modifications: Principles of Design and Safety	1	Video
Home Modifications: Principles of Design and Safety	1	Text
Home Modifications: Funding Resources and Successful Accessibility Evaluations	2	Video
Home Modifications: Funding Resources and Successful Accessibility Evaluations	2	Text
Effective Rehabilitation in the Home, Skilled Nursing Facilities, and Long-Term Care, Rehab-Focused Strategies for Defensible Documentation, Fall Prevention, Care Transitions, and Preventing Re-Hospitalization	6	Video
Effective Rehabilitation in the Home, SNF, and Long-Term Care: Value-Based Care	1	Video
Evidence-Based Techniques to Build Your Parkinson's Disease Toolbox, Utilizing the Best Assessment and Treatment Strategies to Achieve Continuous Motor and ADL Success	6	Video
Rehabilitation and Assessment Strategies for Parkinson's Disease	1	Video
Rehabilitation and Assessment Strategies for Parkinson's Disease	1	Text
Optimizing Motor Control in Parkinson's Patients	2	Video
Optimizing Motor Control in Parkinson's Patients	2	Text
A Rehab Professional's Guide to Pharmacology, Minimize Effects and Interactions While Identifying Special Considerations to Promote Optimal Functional Outcomes	6	Video
A Rehab Professional's Guide to Pharmacology: Non-Pharmacological and Pharmacological Methods to Treat Pain	1	Video
A Rehab Professional's Guide to Pharmacology: Non-Pharmacological and Pharmacological Methods to Treat Pain	1	Text
A Rehab Professional's Guide to Pharmacology: Classes of Psychotropic Medications Utilized in Adults and Elderly Populations	2	Video
A Rehab Professional's Guide to Pharmacology: Classes of Psychotropic Medications Utilized in Adults and Elderly Populations	2	Text
A Functional Testing Approach to Geriatric Rehab Designing Test-Driven Rehab Programs to Safely Improve Function and Mobility in Older Adults	6	Video
Geriatric Rehab: Exercise Progressions to Improve ADLs and Muscle Function	1	Video
Geriatric Rehab: Exercise Progressions to Improve ADLs and Muscle Function	1	Text
Geriatric Rehab: Functional Testing and Exercise for Better Outcomes	2	Video

Geriatric Rehab: Functional Testing and Exercise for Better Outcomes	2	Text
Overcoming Challenges in Stroke Rehab: Applying the Latest Research and Treatments to Spasticity, Motor Control Deficits, and Sensory Loss	6	Video
Evidence-Based Assessment and Treatment for Stroke Recovery Interventions to Improve Functional Mobility	6	Video
Stroke Recovery: Hand Over Hand Taping Techniques to Restore Function	1	Video
Stroke Recovery: Hand Over Hand Taping Techniques to Restore Function	1	Text
Stroke Recovery: Improving Observation, Assessment, and Treatment of the Upper Extremity	2	Video
Stroke Recovery: Improving Observation, Assessment, and Treatment of the Upper Extremity	2	Text
Functional Testing & Assessment for Older Adults: Proven Tests to Identify Patient Needs and Show Meaningful Outcomes	6	Video
Home Health Updates: PDGM and OASIS-D	6	Video
Vestibular Rehab & Balance Training A Fundamental Seminar Designed for PTs & OTs	6	Video
Vestibular Rehab: Diagnosing Vestibular Weakness	1	Video
Vestibular Rehab: Diagnosing Vestibular Weakness	1	Text
Vestibular Rehab: Evaluation and Treatment of Vestibular Weakness	2	Video
Vestibular Rehab: Evaluation and Treatment of Vestibular Weakness	2	Text
Evidence-Based Resources and Regulatory Requirements for Wheelchair Seating and Positioning A Hands-on, Lab-Intensive Workshop for Maximizing Function and Safety	6	Video
Wheelchair Seating and Positioning: Identifying and Correcting Destructive Postural Tendencies	1	Video
Wheelchair Seating and Positioning: Identifying and Correcting Destructive Postural Tendencies	1	Text
Wheelchair Seating and Positioning: Practical Assessment Strategies for Optimal Seating Configurations	2	Video
Wheelchair Seating and Positioning: Practical Assessment Strategies for Optimal Seating Configurations	2	Text
Evidence-Based, Innovative Therapeutic Exercise Using Yoga and Pilates to Safely Challenge Older Adults	6	Video
Therapeutic Exercise: Functional Core and Pelvic Floor	1	Video
Therapeutic Exercise: Functional Core and Pelvic Floor	1	Text
Therapeutic Exercise: Yoga to Improve Function in Older Adults	2	Video
Therapeutic Exercise: Yoga to Improve Function in Older Adults	2	Text
Functional Amputee Rehabilitation, Effective Evaluation and Treatment Across the Spectrum of Clinical Settings: Pre and Post Prosthesis Care	6	Video
Functional Amputee Rehabilitation: Prosthetic Rehab Considerations	1	Video
Functional Amputee Rehabilitation: Prosthetic Rehab Considerations	1	Text
Functional Amputee Rehabilitation: Identifying Amputation Types and Corresponding Medicare Guidelines	2	Video
Functional Amputee Rehabilitation: Identifying Amputation Types and Corresponding Medicare Guidelines	2	Text
Strengthening Core Stability Utilizing Functional Exercise Plans to Enhance Function, Balance, Mobility, and Decrease Fall Risk	6	Video

Functional Pelvic Floor Training for Weakness, Pain, and Dysfunction in Men, Women, and Older Adults	6	Video
Functional Pelvic Floor Training: Pelvic Floor Activation Cues and Exercise Progressions	1	Video
Functional Pelvic Floor Training: Pelvic Floor Activation Cues and Exercise Progressions	1	Text
Functional Pelvic Floor Training: Pelvic Floor Assessment and Exercise Planning	2	Video
Functional Pelvic Floor Training: Pelvic Floor Assessment and Exercise Planning	2	Text
Innovative Treatments for the Hand, Wrist, and Elbow Mobilization, Taping, and Unique Modalities for the Orthopedic & Neurological Patient	6	Video
Innovative Treatments for the Hand, Wrist and Elbow: Functional Hand Anatomy for Testing and Assessment	1	Video
Innovative Treatments for the Hand, Wrist and Elbow: Functional Hand Anatomy for Testing and Assessment	1	Text
Innovative Treatments for the Hand, Wrist and Elbow: Rehabilitation and Intervention for Hand Dysfunction	2	Video
Innovative Treatments for the Hand, Wrist and Elbow: Rehabilitation and Intervention for Hand Dysfunction	2	Text
Evidence-Based Rehabilitation Strategies for Joint Replacement	6	Video
Joint Replacement: Exercise Application and Considerations	1	Video
Joint Replacement: Exercise Application and Considerations	1	Text
Joint Replacement: How Surgery Affects Rehabilitation	2	Video
Joint Replacement: How Surgery Affects Rehabilitation	2	Video
Evidence-Based Assessment and Treatment for Cancer and Cognitive Rehabilitation, Understanding a Therapist's Role in Addressing Changes in Cognitive and Physical Functions to Promote Improved Outcomes	6	Video
Evidence-Based Oncology Rehabilitation: Treatment of Cancer Patients with Lymphedema	1	Video
Evidence-Based Oncology Rehabilitation: Treatment of Cancer Patients with Lymphedema	1	Text
Evidence-Based Oncology Rehabilitation: How Breast Cancer Treatment Impacts Rehabilitation	2	Video
Evidence-Based Oncology Rehabilitation: How Breast Cancer Treatment Impacts Rehabilitation	2	Text
Rotator Cuff Disorders	6	Video
Shoulder Disorders Diagnosis, Management and Evidence-Based Treatment	6	Video
Shoulder Disorders: Proven Treatment Interventions for Scapular Dysfunction, Impingement, and SLAP Tears	1	Video
Shoulder Disorders: Proven Treatment Interventions for Scapular Dysfunction, Impingement, and SLAP Tears	1	Text
Shoulder Disorders: Assessment for Successful Treatment and Rehabilitation	2	Video
Shoulder Disorders: Assessment for Successful Treatment and Rehabilitation	2	Text
Kinesiology Taping, Manual Therapy & Neuromuscular Re-Activation Combining Evidence-Based Approaches for Optimal Outcomes	6	Video
